Terms defined in the Prospectus shall have the same meaning when used in this Supplement.

This Supplement does not constitute an offer of, or an invitation by or on behalf of any of the Issuer, the Dealers or the Arrangers to subscribe for, or purchase, any Warrants.

To the extent that there is any inconsistency between a) any statement in this Supplement and b) any other statement in or incorporated by reference in the Prospectus, the statements in a) above will prevail.

Save as disclosed in this Supplement, no other significant new factor, material mistake or inaccuracy relating to information in the Prospectus has arisen or been noted, as the case may be, since the publication of the Prospectus.

In accordance with Art 16 of the Prospectus Directive and Sec 6 KMG, investors who have agreed to subscribe for Warrants after the occurrence of the significant new factors described in this Supplement but before the publication of this Supplement have a right to withdraw their acceptances until, and including, 15 February 2014.

No person has been authorised to give any information or to make any representation other than those contained in the Prospectus and this Supplement in connection with the issue or sale of the Warrants and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer. Neither the delivery of the Prospectus and/or this Supplement nor any sale made in connection therewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer or the Erste Group since the date hereof or the date upon which the Prospectus has been most recently supplemented or that there has been no adverse change in the financial position of the Issuer or the Erste Group since the date hereof or the date upon which the Prospectus has been most recently supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

*The distribution of this Supplement and the offering or sale of the Warrants in certain jurisdictions may be restricted by law. Persons into whose possession this Supplement comes are required by the Issuer to inform themselves about and to observe any such restriction. The Warrants have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**Securities Act**"), and may include Warrants in bearer form that are subject to US tax law requirements. Subject to certain exceptions, Warrants may not be offered, sold or delivered within the United States or to US persons. For a description of certain restrictions on offers and sales of Warrants, see "Subscription and Sale" in the Prospectus.*

Neither this Supplement nor any financial statements supplied in connection with the Programme or any Warrants are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Dealers or the Arrangers that any recipient of this Supplement or any financial statements should purchase the Warrants. Each potential purchaser of Warrants should determine for itself the relevance of the information contained in this Supplement or any financial statements and its purchase of Warrants should be based upon any such investigation as it deems necessary.

Significant new factors (as referred to in Art 16 (1) of the Prospectus Directive and Sec 6(1) of the KMG) have arisen which in the Issuer's perception are capable of affecting the assessment of the Warrants, and are thus herewith included in the Prospectus as follows:

1. Recent developments

In the section "RECENT DEVELOPMENTS" beginning on Page 191 of the Original Prospectus, after the section with the heading "Write-down requirement on goodwill" (as added by supplement no. 2 dated 18 December 2013) the following additional section is inserted:

"Impacts on the net profit

On 11 February 2014, Erste Group Bank announced that it posted a net profit of about EUR 60 million in 2013 (based on preliminary, unaudited figures). Goodwill write-downs and tax effects negatively impacted net profit. In 2013, Erste Group Bank did only partly recognise deferred tax assets for tax losses carried forward as it is unlikely they will be realised within a reasonable time frame. This is directly related to the banking tax burden on the Austrian tax group as well as goodwill write-downs over the past years."

The Issuer hereby declares that, having taken all reasonable care to ensure that such is the case, the information contained in this Supplement is, to the best of the knowledge of the Issuer, in accordance with the facts and contains no omission likely to affect its import.
