This supplement (the **Supplement** or the **Second Supplement**) constitutes a supplement to a base prospectus in accordance with Article 23 (1) of Regulation (EU) 2017/1129 of the European Parliament and the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, as amended (the **Prospectus Regulation**). This Supplement is supplemental to, and should be read in conjunction with the Base Prospectus dated 20 March 2026 and the first supplement dated 8 April 2026 (together, the **Base Prospectus**), prepared in relation to the Debt Issuance Programme of NATIXIS (**NATIXIS**), Natixis Structured Issuance SA (**Natixis Structured Issuance**) and Natixis Corporate and Investment Banking Luxembourg (**NCIBL**, together with Natixis Structured Issuance and NATIXIS, the **Issuers** and each an **Issuer**), and approved by the *Commission de Surveillance du Secteur Financier* in Luxembourg (the **CSSF**).

The Second Supplement will be published on the Luxembourg Stock Exchange's website "www.luxse.com" and on the Issuers' website "<https://cib.natixis.com/Home/pims/Prospectus#/prospectusPublic>".

Unless the context otherwise requires, terms defined in the Base Prospectus shall have the same meaning when used in this Supplement.

Save as disclosed in this Supplement, there has been no other significant new factor, material mistake or material inaccuracy relating to information included in the Base Prospectus since the publication of the Base Prospectus.

To the extent that there is any inconsistency between (a) any statement in this Supplement and (b) any other statement in or incorporated by reference in the Base Prospectus, the statements in (a) above will prevail.

The Issuers accept responsibility for the information contained or incorporated by reference in this Supplement. The Issuers confirm that, having taken all reasonable care to ensure that such is the case, the information contained or incorporated by reference in this Supplement is, to the best of their knowledge, in accordance with the facts and does not omit anything likely to affect the import of such information.

This Supplement is not intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by the Issuers that any recipient of this Supplement or any other financial statements should purchase the Notes.

This Supplement has been prepared for the purposes of:

- a) updating the Base Prospectus with the NATIXIS' long-term unsecured debt rating assigned by Moody's France S.A.S. to take into account the downgrading of this rating from A1 (stable) to A2 (stable) on 21 April 2026.

To the extent applicable, investors who have already agreed to purchase or subscribe for any Notes before this Supplement is published, have the right, exercisable within a time limit of three (3) working days after the publication of this Supplement (no later than 29 April 2026), to withdraw their acceptances, provided that the significant new factor, material mistake or material inaccuracy arose or was noted before the closing of the offer period or the delivery of the Notes. Investors may contact the Authorised Offerors should they wish to exercise the right of withdrawal.

From the date of this Supplement, the seventh paragraph on page 2 of the Base Prospectus is deleted in its entirety and replaced as follows:

“As at the date of this Base Prospectus, the long term senior unsecured debt of NATIXIS is rated A2 (stable) by Moody’s France S.A.S. (**Moody’s**)¹, A+ (stable) by S&P Global Ratings Europe Limited (**S&P**)² and A+ (stable) by Fitch Ratings Ireland Limited (**Fitch**)³. Each of Moody’s, S&P and Fitch is established in the European Union and is registered under Regulation (EC) No 1060/2009 (as amended) (the **CRA Regulation**). The European Securities and Markets Authority (**ESMA**) publishes on its website (<https://www.esma.europa.eu/credit-rating-agencies/cra-authorisation>) a list of credit rating agencies registered in accordance with the CRA Regulation. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency. The rating of certain Series of Notes to be issued under the Programme may be specified in the applicable Final Terms. Whether or not each credit rating applied for in relation to relevant Series of Notes will be issued by a credit rating agency established in the European Union and registered under the CRA Regulation, and if so, whether the rating agency is included in the list of credit rating agencies published by the ESMA on its website in accordance with the CRA Regulation will be disclosed in the applicable Final Terms.”

¹ Obligations rated “A” by Moody’s are considered upper-medium-grade and are subject to low credit risk.

² Obligations rated “A” by S&P are more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor’s capacity to meet its financial commitments on the obligation is still strong.

³ Obligations rated “A” by Fitch denote expectations of low default risk. The capacity for payment of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings.
